Dear Sir/Madam:

Re: Arizona State University Institutional Model spring 2021 semester

This letter confirms that Arizona State University (ASU), and Global Launch, will engage in in-person classes for the spring 2021 semester starting on Jan. 13, 2021, and the carrier of this letter is enrolled as an on-campus student at ASU.

ASU and Global Launch have three learning models that allow students to meet full-time registration requirements, and engage in classes either in person or a combination of classes that are online as well as in person to further their education journey: immersion, ASU Sync, and iCourses.

Accordingly, all I-20s issued by Arizona State University and Global Launch meet the requirements for international students to apply for and obtain a non-immigrant visa and meet eligibility requirements for entry into the U.S.

Please be advised that we recognize students may face difficulty entering the U.S. prior to the official start of the semester. In acknowledgment of possible travel delays, ASU and Global Launch will allow new students and returning students to arrive up to 30 days after the start of instruction listed on the student’s Form I-20.

Sincerely,

Mark Kaech, PDSO
Director Fiscal and Business Operations
Global Launch
Arizona State University
